FIFTEEN CENTS

## Three Antioch men arrested for burglary

Three Antioch residents have been arrested and charged with the burglary of the residence of Ida Duda, at 359 North Ave., somewhere between 4:30 and 7 p.m., on Sunday, Sept. 21.

Charged with the theft of a strongbox containing approximately \$130 in cash and \$500 in checks, were Thomas Bywell, 21, Michael Strom, 20 and William Liebert, 20, all of North Ave.

Bywell, a resident of the apartments above the Duda home, was released on a \$5,000 bond and Strom and Liebert are being held in Lake County Jail with bonds set at \$10,000

because they had also failed to appear at a court hearing on previous theft charges.

According to Lt. Tom Fisher, Antioch Police Dept., an investigating officer talked to a neighbor that had observed two of the subjects at the side of the Duda residence at the approximate time of the burglary.

Bywell was picked up by Officer Ron Roth on Tuesday, Sept. 23 and the other two subjects were arrested on North Ave. and Rt. 83 at 4:30 p.m., Thursday, Sept. 25.

A preliminary hearing is set for all three men at 1:30 p.m., on Oct. 1, at Lake County Courthouse.

### Good news in The News

#### BACK TO SCHOOL

"Back To School" night for parents at Antioch Community High School is planned at 7:30 p.m. on Tuesday, Oct. 7.

The event is sponsored jointly by the Parent Teacher Club and the school.

After a short orientation session in the Commons, parents will follow their students' schedule through a typical school day. Periods will be shortened to five-minutes for parents to meet briefly with teachers.

Following the completion of the classes, parents and teachers will return to the Commons for a social hour with refreshments.

Yearbook orders for the 1980-81 school yearbook will be taken during "Back To School Night".

The price is \$11 and books may be purchased in the Commons.

### Police arrest man wanted on other charges

A resident of the State Line Motel, Salem, was arrested by the Antioch Police Dept. for traffic violations at 12:15 a.m., on Monday, Sept. 29, and upon further investigation found to be wanted in Addison for theft by deception or larceny.

Antioch Officer Dennis Granfield was on routine patrol early Monday morning when he observed a car crossing the center line.

The driver of the car, Joseph Manzo, 33, was charged with improper lane usage and no valid drivers license.

After the discovery of the warrant from Addison, a search of Manzo's vehicle produced a loaded .25 caliber pistol in the glove compartment.

Manzo was then charged with the unlawful use of a weapon and at 3 a.m. turned over to Addison authorities.

Manzo posted a bond and is due to appear at 9 a.m., on Oct. 13, at Lake County Courthouse on Antioch charges.

## Antioch Savings & Loan Opens branch office

Antioch Savings and Loan Assn. opened the doors to its Harbor Ridge Branch office Sept. 29.

Mark McKinney, executive vice president, presided at the ribbon cutting ceremony along with Laddie Korecek, assistant vice president and managing officer of the new branch office.

After cutting a ribbon of money, officers, directors and guests toured the new office located at Rte. 59 and Grass Lake Rd. and celebrated with a champagne toast.

Antioch Savings will continue to celebrate the opening of its first branch for the entire month of October with prizes and free gifts for savers.

**BIKE-A-THON A SUCCESS** — Annual Cancer Bike-A-Thon on Sunday, Sept. 28 was a big success with 56 bikers riding for cancer research funds. — Photo by Gregg Smith

## Bike-A-Thon huge success, 56 bikers help raise \$6,000

Pres Reckers, chairman of the Ninth Annual Antioch Bike-A-Thon for the benefit of the American Cancer Society, announced that this year's event was a great success. Fifty-six youngsters rode the seven-mile route and had close to \$6,000 in pledges.

As in previous years, the Bike-A-Thon was very fortunate in having the excellent help and support of members of the Antioch Jaycees, the fire department and police department who staffed the checkpoints and kept a watchful eye on all the young bicyclists.

Between now and Oct. 31, the pledges will have to be collected by the riders and turned into Reckers at the State Bank of Antioch.

There will be bicycles awarded to the first, second, and third place winners, donated by the State Bank of Antioch, the Shoe Box, and Four Squires.

Bike-A-Thons were held in fourteen separate communities in Lake County Sunday, and all proceeds go toward cancer research and the funding of Lake County cancer prevention and treatment programs.

## PM&L's 'Our Town' closes, last performances Oct. 3-4

The PM&L production of Thornton Wilder's Pulitzer Prize-winning play "Our Town," will close this weekend. The last two performances of this absorbing drama will take place on Friday and Saturday nights, Oct. 3 and 4. Both presentations will be at the PM&L Theater, 877 Main St. in Antioch, where curtain time is 8:30 p.m.

"Our Town" has enchanted audiences during the past two weekends. Many who

saw this well-known and widely-loved classic of the American theater agree that no other play could have launched more suitably 20th year of community theater, PM&L's bringing quality entertainment to our region.

To see either of the last two performances of this outstanding show, be sure to call 395-3055 to make your reservations, and to be at the PM&L box office no later than 8:15 p.m. on the night you plan to look in on our town.

## Letter To The Editor

Editor:

Saw "OUR TOWN" at PM&L Theatre Friday; top notch entertainment.

Anybody who enjoys live theatre would cry if they knew what they were missing. I mean for such excellent performance of a good show, my feeling was there were too many empty seats.

Our young actors deserve loyalty. Here's a bright, clean show for old and young.

All it wanted was a warmer show of community loyalty, warming those empty seats.

Let's come alive so's to get more of this high-grade entertainment in our town.

**WORLD'S MOST  
PREVALENT DISEASE**

What is the world's most prevalent disease? If your answer is the common cold — you're wrong! Tooth decay is the most universal disease in the world. Only a minute fraction of the world's people are free of it. Only 2 percent of the American population has been spared. Earliest cavities show up right after primary teeth erupt. The average 13-year-old already has at least five cavities in permanent teeth. Girls seem to get more cavities than boys; but then, girls get their teeth sooner.

A cavity is a hole in a tooth caused by decay which is produced by the combination of plaque and acid. It doesn't take a few days for trouble to develop. Tooth decay can start in less than 15 minutes after

eating. All that is needed are three ingredients: a tooth, bacteria (in dental plaque) and sugar. When the bacteria and sugar meet, acid is formed. When acid and tooth meet, the acid starts etching a hole in the tooth.

Today's diets, high in refined sugars and carbohydrates, are conducive to decay. But careful and PROMPT oral hygiene procedures after eating will reduce, if not eliminate, the decay-producing activity of the modern diet.

JUDY KORECEK

## Woman behind the Antioch man Koreceks work together

by GLORIA DAVIS

This week's Woman Behind the Antioch Man is married to the youngest Antioch man yet to be profiled.

I'm talking about Judy Korecek, wife of Laddie Korecek, one of Antioch Savings and Loans' finest.

Korecek, who's barely 25 years of age, is slated to head the ASL's new branch due to open soon out on Rt. 59, just outside of town.

Judy and Laddie are both from the Chicago suburban set, Judy hailing from north Riverside, while her husband is a product of Westchester.

Both of them came to Antioch a few years ago, steered by Laddie's knowledge and liking for the area, gained in the many years of visits to his grandfather's summer home on Lake Catherine and enticed by an offer of a job at the savings establishment.

Judy is employed as a legal secretary for the firm of Soffiette, Johnson and Teegen, Fox Lake.

Both of these two young ambitious people have been working towards and planning their future ever since they became high school sweethearts.

Laddie says one of the things that attracted him to Judy on their first date at the stock car races was her shyness, a trait that soon became a challenge for the outgoing young

man.

When I said that these two had planned and worked together, this includes the many hours of painting, redecorating, and landscaping that took most of their free time this summer while they worked on their new house in the Channel Lake Shores Subdivision.

What do they do for fun in the little time left? They both love snowmobiling, raquetball boating and the Chicago Bears.

Judy, a fragile soft spoken lady with a lovely frosted feather-cut, says, "Laddie's the joiner, I like to putter around the house and garden, do a little craft-work and attend to my main function in the Korecek household, taking care of our collie pup who's expecting a companion, another collie puppy inside of a few weeks."

Judy is speaking of Laddie's involvement in the many activities of the Rotary, the Lions and the Antioch Chamber of Commerce and Industry.

The Koreceks are obviously a couple that has grown up together, and happily so, denoted by Laddie's description of his wife as a "tender caring individual," even as he chides her for what he calls "her disorganization." But as I looked around a house that was impeccably neat, I chalked that one up to his demanding regimented training at St. John's Military Academy.

## A woman's place

When I think about it

## Who said that life is fair

By GLORIA DAVIS

I've always been told that timing is a very important part of succeeding; whether it means being in the right place at the right time, delivering a line with the proper pauses and emphasis or doing a particular thing at just the right moment.

If this is true, will someone please whisper this little success secret into the ear of the head timekeeper upstairs, because, with all due respect, may I say that I think someone goofed when they drew up the blueprints of life.

Why is it that our greatest learning capabilities are between the time we're born and reach five years of age?

MY GRIPE about this little bit of research information is that someone has fixed it so that we are able to learn more at a time when we're too young to choose the subjects we want to learn about and by the time we have decided what our learning aims are, our retention and concentration capabilities have receded, making our quest for knowledge much more difficult.

Why is it, if I'm to believe all the magazine articles, that fellas reach their sexual peak in their late teens, at a time when such actions are not justified by a sense of respon-

sibility and conversely, women are more interested in sex from their mid thirties on, a time when their mates are starting to lose interest in the whole thing or at least as far as the middle aged woman is concerned?

OH TELL me why clothes look best on us when our bodies are young and beautiful and we can't afford to buy all that we want and by the time we are able to buy the mink coat it's too heavy for us to tote around?

Explain why we are blessed with babies when we are young and have so little patience and less know how?

Why is it we can't afford a house that's roomy enough when the kids are small and they demand a lot of runnin' room and by the time that big dream house is affordable, the kids have all grown up and left home, leaving two people to rattle around the huge family abode?

WHY DON'T we appreciate people, our children included, until they are either gone or are just around spasmodically.

How come, as we gain more knowledge and know how, we start to lose the energy and ambition to use it?

And how come the human body stays young and sexy inside and gets old and wrinkly outside?

## Along the way with ANNIE MAE

Well, I had a wonderful time at the Rotary's barbeque and auction last Saturday.

Those pork chops were so delicious that I went back for seconds.

Oh well, I'll skip this week's Tops meeting.

And those lovely items that were auctioned off!

I really wanted that big set of antique fireplace bellows but I was so busy making my mind up between that and the giant beer mug that I forgot to bid on them.

Speaking of money, and as I look at my bank account, I realize that I really don't have much to speak of, have you heard about James Tobin, who claims that he will try and get a tax petition filed to have our taxes cut by over two percent?

I was very saddened to hear of the death of Dr. Lewis Zimmerman who died on Sept. 25 in Tampa Fla.

Doc Zimmermann, as all his friends and patients called him during his 27 years of dental practice in Antioch, from 1930 to

1957, was very active in the the American Legion and the VFW, having served in WW1 as a Pharmacist's Mate in the Navy, retiring from the Air Force after the Second World War with the rank of Captain.

I'm sure the entire town sends their condolences to his wife Ethel, who is still living in Tampa, and his daughter Frances Prutzman, who lives in Collingwood, N.J..

Speaking of the VFW, congratulations to the winners of the Antioch VFW's Community contest.

James Mapletorp won the first prize, a trip to Las Vegas and Charles Schufr and Alice Schvetz were the second and third prize winners.

Regardless of Mayor Haley's past statement that he had received no complaints from the merchants located in the area of the Orchard St. renovation, I keep hearing complaints about the timing and the length of the paving operation.

George Braddock, owner of the Texaco Station claims that this interruption of his prime season has cost him about \$50,000 in gross income in comparison to last year.

"The repaving was needed but the timing was bad," says Braddock.

He continued to say, "This job should have been planned to start after the first of September and if it was handled right it would only have taken two months and been done before the bad weather."

In fact at a meeting of the directors of the Antioch Chamber of Commerce and Industry, held at the Norshore Resort on Lake Catherine on Monday, they voted to send Mayor Haley a formal letter inquiring as to the date of the Orchard St. completion.

Congratulations to Helen and Mark McKinney of the Antioch Savings and Loan who welcomed a brand new, 8 pound 15 ounce baby boy named Kevin Thomas, on Sept. 29.

## Bahai service was held

The Baha'i Community of Antioch Township held a memorial service at 1 p.m. on Saturday, Sept. 27, at the home of Mr. and Mrs. O. Ray Fechtner, for the seven members of the Baha'i Faith who were executed for their faith in the city of Yazd, Iran, on Monday, Sept. 8.

A memorial service was also held at the Baha'i House of Worship in Wilmette at the same time, and throughout the United States in more than 1800 localities where there are organized Baha'i communities of Baha'is.

According to Mrs. Fechtner, Baha'is in Iran are being persecuted because of their religious beliefs.

Persecution of Baha'is has increased steadily in that country over a period of the last two years. Private homes and businesses have been looted, burned, or otherwise destroyed.

Clinics, Schools, farms and orchards have been seized, and Baha'is have been denied jobs and deprived of their means of livelihood.

All of the Baha'i religious properties have been confiscated and the holy shrine the Bab where the Baha'i Faith began in 1844 has been completely destroyed.

Mrs. Fechtner pointed out that the memorial service is a symbol of the deep feelings of concern and sorrow for the martyred Baha'is as well as for the safety and the human rights of all religious minorities in Iran.

**WINS \$50.00 SAVINGS BOND!** — Michael Wicnienski of Antioch is shown above being presented a \$50.00 Series EE Savings Bond by State Bank of Antioch new account representative, Monica MacDonald. Mr. Wicnienski was awarded the savings bond when he became the first person to open a new "Preferred" savings account at the State Bank. This is a new State Bank Savings plan which allows customers free personal checking when they open a "Preferred" savings account for \$1,000 or more. As long as they maintain a balance of at least \$1,000 in their "Preferred" savings account, there will be no service or maintenance charges on their personal checking account.

## Rescue squads banned from using STATS

Ambulance personnel from Lake Villa Rescue and Antioch Rescue have been prohibited from transporting patients to the St. Therese Area Trauma Satellite (STATS) by the State of Illinois Department of Public Health.

In a letter to Dr. John Freeland, Northern Lake County Mobile Intensive Care Project Medical Director, last week, the Illinois Department of Public Health advised Dr. Freeland to prohibit the direction of any ambulances to STATS.

To clarify the position of STATS in the Northern Lake County Mobile Intensive Care Program prior to this prohibition, only uncomplicated basic life support patients who will not require hospitalization can be transported to STATS.

Any critically ill patient must be transported to a full-service hospital, as would a patient who would probably require hospitalization.

**DR. FREELAND** and the EMS/MIC System members of Northern Lake County are hopeful that the halt will be temporary.

An amendment to the existing MIC Program proposal must be filed with Illinois Department of Public Health, Emergency Medical Service and Highway Safety to include STATS as a receiving facility for basic life support patients.

**THAT AMENDMENT** will be forwarded to Springfield in the very near future. With the

appropriate approvals from both local and state EMS officials, ambulance personnel may be able to resume service to the STATS.

The transport policy which includes transport of basic life support patients, was originated by Dr. Freeland, who has the overall authority and responsibility for the entire paramedic program.

**HE FEELS THAT** this policy allowed the people of western Lake County to receive basic emergency care in their own area, without having to travel 20-25 miles to a hospital.

Dr. Freeland believes that the quality of care at STATS is more than adequate for uncomplicated basic life support patients.

Victory Memorial Hospital, the Mobile Intensive Care Resource hospital for northern Lake County, supports Dr. Freeland in his philosophy.

The volunteer rescue squads and the communities they serve also appreciate the STATS facility.

The ambulance and paramedics are gone from the community, and their own jobs and homes, for a much shorter period of time.

An ambulance out of its area cannot serve other emergencies in the area.

If you have questions or concerns about this matter, contact your local rescue officers or Mary Spratz, 688-3159, the director of EMS/MIC at Victory Memorial Hospital.

**SCHURZ REUNION** — Old classmates meet to make final arrangements for the 50th anniversary reunion of their high school graduation class, Carl Schurz in Chicago, which will be held Oct. 11 in the North Shore Hilton, Skokie. Mrs. Mae Marty Stinespring, center, McHenry County's Woman of the Year, heads the reunion committee of the June, 1930 graduation class. She is flanked by Mr. and Mrs. Clarence Olson of Antioch.

## Letter To The Editor

### EDITOR:

On the evening of August 9, 1980 at approx. 11 p.m. seven friends, and myself, stopped at the A and P Grocery Store for some supplies before returning to our camp site at the State Park west of town.

As we emerged from the store a policeman, from your town, stopped next to us and informed us, at the top of his lungs, "CURFEW HAS COME AND GONE!"

This shocked all eight of us and one of us asked him to repeat himself.

To which he said, again at the top of his lungs, "READ MY LIPS!! CURFEW HAS COME AND GONE."

To this point he had asked for no I.D. from this group of 19 and 20 year olds or had he informed this group of Iowans about any laws of anyone over 18 being out after a certain time.

My friends and I were still shocked when the policeman now yelled at us to, "Get those young people," (referring to the two 20 year old girls with us). "Before someone finds themselves in front of a judge."

This entire conversation was carried on while our group was merely standing around our cars.

It would seem to me that there is a better procedure than the one described above!

Because of this incident I regret that everyone in our group will always inform people of the displeasure with this stop, and also suggest that they not stop in your small town.

I regret that I must inform you of this because usually I'm a man who will let this type of thing pass, but this was so severe that I felt your community would like to be informed.

Yours truly,  
James R. Woodin  
Box T  
Kaloma, IA. 52247

**EDITOR'S NOTE:** Police Chief Chuck Miller, after checking into the situation alluded to in this letter, explained that the police have a lot of trouble in this and other areas that are open late at night and receive con-

stant complaints about noise, drunkenness and loitering.

"If the story is as the letters states, the officer should have handled the situation differently, been more polite and checked the license plates which would have told him that they were out of towners and he probably would have discovered that they were campers making a purchase. A polite check of the peoples' IDs should also have been taken."

Miller went on to say that he regretted the incident if it happened as the letter describes.

#### NOTICE OF PUBLIC HEARING

NOTICE is hereby given that a public hearing will be conducted by the Village Of Antioch, Lake County, Illinois at the Village Hall, 874 Main Street, on November 12, 1980 at 7:30 p.m. The hearing is to receive public input and comments into the final selection of proposed wastewater treatment alternatives.

Village engineers have been evaluating various wastewater treatment options open to the Village including two process modifications at the existing site, abandonment of the existing site with wastewater being transported to the Fox Lake regional treatment plant, or construction of new treatment facilities outside the Village limits and utilizing land application of wastewater. A complete description of these alternative plans is contained in "Public Hearing Draft, Facilities plan for Wastewater Treatment System, Antioch, Illinois," dated September, 1980. This report is available for public inspection at the following locations:

Antioch Village Hall  
874 Main Street  
Antioch, Illinois

Applied Engineering Company  
1885 Hicks Road  
Rolling Meadows, Illinois

Donohue & Associates, Inc.  
600 Larry Court  
Waukesha, Wisconsin

Donohue & Associates, Inc. has made a preliminary engineering recommendation to upgrade and expand the facilities at the existing plant site utilizing a two-stage, activated sludge process. Estimated total construction cost in 1980 dollars is \$3,001,300 and annual operating costs are estimated at \$158,200. The average monthly sewer bill for existing residential customers will be discussed at the public hearing.

The project is necessary to enable the plant to meet more stringent Illinois Environment Protection Agency effluent limits and because the existing plant is nearing its hydraulic capacity. Public opinion is needed to enable Village officials to make an acceptable, implementable plan selection either concurring with the preliminary engineering recommendation or modifying it.

Persons and/or organizations wishing to make a statement on the proposed project will be asked to identify themselves and their respective interest at the public hearing. Written statements will be accepted until ten (10) days after the date of the hearing at the office of:

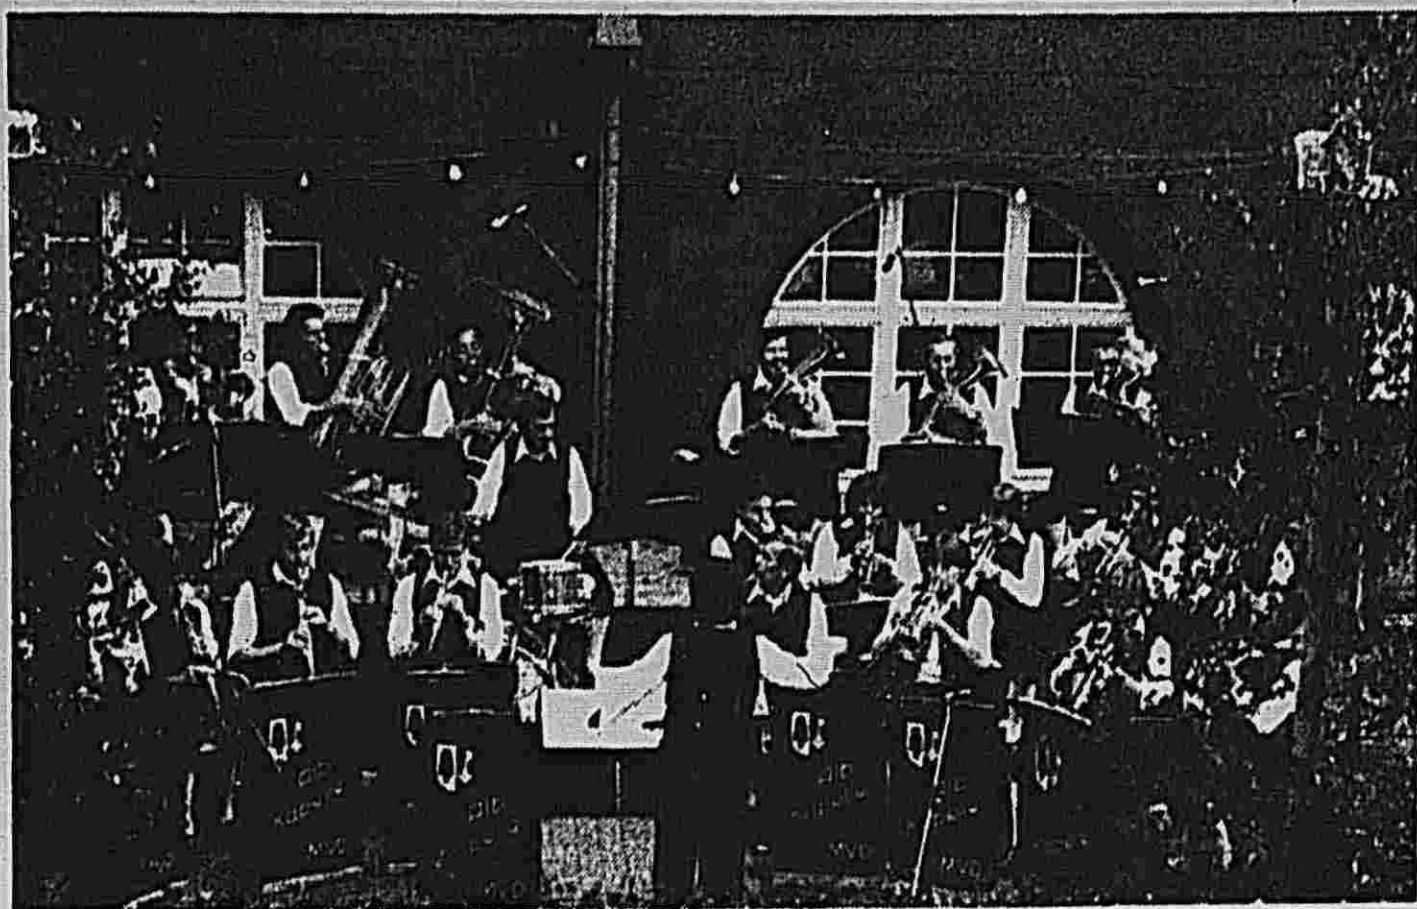

Donohue & Associates, Inc., 600 Larry Court, Waukesha, Wisconsin 53187; Attn.: Ms. Jane McLamarran.

## ACHS students commended

Guidance Dept. Chairman Jane Kleinschmidt of Antioch Community High School announced that two seniors are being commended for their outstanding performance in the 26th annual National Merit Scholarship Corp., which conducts the competition, will be presented to Jennifer Czapiewski and William Grochowski.

More than one million students entered the 1981 Merit Program by taking the PSAT/NMSQT in 1979, 115 at Antioch Community High School.

About 33,000 of these students throughout the United States will receive a com-

mendation for outstanding test performance. Commended students rank below the level required for Merit Program Semifinalists — the only participants who will continue in the 1981 competition for Merit Scholarships.

Nonetheless Commended students have shown exceptional academic promise by scoring among the top five percent of Merit Program participants.

An officer of the corporation stated that "to be designated a Commended student in the Merit Program is an attainment deserving of public recognition. The continued educational and personal development of such students will benefit the entire nation."

**OUR TOWN CLOSSES** — PM&L's production of 'Our Town' will have its last performance Oct. 3-4. From left, Sam Craig, played by Pat Bast, looks over graves in Grovers Corners that include those of: Stimson, played by Bruce Stamm; Mrs. Soames, played by Quint, Antioch; Farmer McCarthy, played by George Blanksten, Antioch; Mrs. Gibbs, played by Mickey Mandel; and First Lady, played by Dorie Hubbard, Antioch.

## VFW Winners

## Wm. Haley indictment dismissed

According to Husto Arenas, U.S. District Attorney, San Juan, Puerto Rico, the indictment of William Haley, Antioch, on charges of smuggling over \$3 million worth of drugs into the San Juan area were dismissed without prejudice, pending further investigation, at a hearing held in San Juan, on Monday, Aug. 29.

Arenas said this move was made because of the several people living in different states that were involved.

"For the government to be involved in so many piecemeal indictments would be ridiculous," said the U.S. Attorney.

"Haley may or may not be re-indicted," said Arenas.

Fair week is nearly here — at last! Fair week is something like Christmas — one looks forward to it for months and months, and then, one day he wakes up and finds that it is really here, and he may begin realizing all of his anticipations.

The Antioch Theatre, replendent with new fixtures and equipment will soon be open to the public for their approval. The opening night is Wednesday evening. The contractors who are rapidly completing the work are Van Der Linde and Nelson. Fred Swanson is the manager.

30 YEARS AGO: OCT 5, 1950

A happy birthday party would have become tragedy had not the Antioch Rescue squad not been able to revive 2-year-old Edward Haley, son of Mr. and Mrs. Thomas F. Haley, Jr., who fell in a channel at the Norshore Gardens of Lake Catherine Monday afternoon.

The blackbear that frightened the residents of the Grass Lake area is now a good rug. The animal that escaped from its cage a week ago at the Louis Pregoner resort, was shot Saturday night by Ralph Mizar near his Fox Lake cottage. Known to the owner as Grumpy, the bear was brought from the north woods to the resort and placed in a wire cage. Once it escaped but returned three days later when it became hungry. This time it was loose over a period of nine days.

Mrs. Marguerite Stitt Church will be guest of honor and the speaker at a tea to be given by Republican Women of Antioch and Lake Villa at the Scout home here at 2 p.m., Tuesday, Oct. 24.

Pressure-Treated Lumber

**Bad news for termites, great news for homeowners**

Outdoor® brand wood? Yes, you can get wood that is specially prepared for exterior use.

Outdoor wood is Wolmanized® lumber and plywood. It's ordinary wood—pressure-treated with Wolman® preservative chemicals so that it lasts for decades. It's resistant to decay and termites.

When you build a fence, patio, or any exterior structure, this is the beautifully practical material.

Considering how long Outdoor wood lasts, even if you don't paint it, or stain it, it's relatively inexpensive. Use Outdoor wood for your next project. You can be sure it will have the appearance and shape-holding qualities you expect because Outdoor wood is a high grade of material.

Be sure to look for the Outdoor® wood mark on each piece of lumber. If it doesn't have the mark, it isn't genuine Outdoor brand wood.

# Bears trounce Sequoits, win by a score of 18-7

It's four games and four losses for the varsity Antioch Sequoit football team.

Coach Steve Wapon says that the team is missing something and he doesn't just mean more numbers in the win column.

"We have a lack of intensity," he says and attributes this lack to the pressures brought on by last year's great winning season.

Antioch was on the scoreboard first in last week's losing contest against Lake Zurich, when Mike Kotlinski took the ball all the way in the first quarter.

Dino Sisto's good extra point kick made it 7 to zip.

Antioch's lead was narrowed to 7-6 by half time after Lake Zurich's hard 90 yard drive

made the grade, though they did miss the extra point.

But the second half was dominated by the Lake Zurich Bears, as they held the Sequoits and made two more touchdowns, making the final score, 18-7.

The Sequoits only had the ball three times during this Bear dominated second half, losing the ball the first two times when they were forced to punt and the last time they turned the ball over on an interception.

This week the Sequoits will play Grayslake on their home turf in an effort to win their first game against a team that has marked up two wins and two losses so far this season.

**LOOKING FOR VICTORY** — Antioch's Mark Pomazak, 42, looks to get by Lake Zurich's Scott Simpson, 32, during Sequoits 18-7 loss to Bears Sept. 27 at Antioch. ## Sequoit cross-country team fare well

The Antioch High School varsity boys cross-country team recorded its fifth straight victory Sept. 25 by defeating Stevenson 18-42.

Robert Otten and Gary Miller ran one-two with times of 16:05 and 16:21 for the three-mile course.

Junior Alan Ware ran to third place with a time of 17:14.

**FOLLOWING WARE** were junior Dale Plechaty in fifth, senior Adam Venn in seventh, and juniors Chris Williams in eighth and Steve Eckhart in 10th.

In the girls race, Antioch edged Stevenson 27-30.

Leading the race was Donna Ruggles in first with a time of 13:25 for the two-mile course.

Antioch's next finishers were freshman Margaret Trychta in fifth, sophomore Dawn Wacki in sixth, freshman Rene Slarčevic in seventh and freshman Laurie Ott in eighth.

**ROUNDING OUT** the scoring was Nancy Harland in 10th and Kathy Zoller in 11th.

The girls upped their record to 3-1 in conference and 4-1 overall.

In the fresh-soph race Antioch again ran to victory by a score of 19-42. John Rivera and Greg Nottingham ran a 1-2 finish in the two-mile race with times of 12:15 and 12:25.

Freshmen Matt Ellis and Ed LaPlante raced to a fourth and fifth place finish. Ken Sandrich finished seventh, sophomore Joel Fries in eighth and Art Neubauer in ninth.

The freshman-soph. teams record is 4-1 overall and 3-1 in conference.

**AT THE GRANT-Crystal Lake Invitational** meet Sept. 27, Antioch finished in third place out of 18 teams.

There were five races at this meet; girls, freshman boys, sophomore boys, junior boys and senior boys.

The points from each of the five races are added together to come up with a team champion.

At the end of the five races Crystal Lake Central came up first with 593 points; Woodstock in second with 601 points and Antioch with 677 points, good for third.

**IN THE GIRLS** race, Antioch ran to a fifth place finish.

Team members are: Donna Ruggles in fifth, Rene Slarčevic in 21st, Dawn Wacki in 41st, Margaret Trychta in 42nd, Julie Ott in 44th, Amy Venn in 63rd and Kathy Zoller in 73rd.

In the freshman boys race of three miles, Antioch finished fourth place out of 18 teams.

In the race Ed LaPlante was in 22nd, Matt Ellis in

24th, Art Neubauer in 29th, Scott Milke in 34th, Joe Mirowski in 36th, Robert Nelson in 64th and Greg McAfee in 68th.

**IN THE SOPHOMORE** race of three miles, Antioch ran to a sixth place finish.

John Rivera was the first Antioch runner to cross the finish line in 19:21, good for 13th place. Greg Nottingham finished in 15th place, followed by Joel Fries in 33rd, Matt Swiatek in 44th and Joey Mossie in 45th.

In the junior boys race, Alan Ware finished in 12th place, Dale Plechaty in 21st, Chris Willems in 23rd, Steve Eckhart in 37th, Hank Woolard in 45th, Jim Degeter in 62nd and Jim Fabry in 68th place.

The junior team finished in fifth place in the meet.

**AT THE SENIOR** level, Antioch had its highest finish of second place.

Robert Otten led with a second place finish with a time of 16:54.

Gary Miller ran a fine race and finished in fifth, with Adam Venn in 21st, Andy Dugenske in 30th, Darryl Sankey in 41st, Marty Swann in 44th and Anti Tekomaa in 50th place.

Antioch's next meet is at Warren on Thursday, Oct. 2 and on Saturday Oct. 4, will host its own Antioch Invitational at Fox River State Park.

Following the business meeting there will be a Fall Fashion Show sponsored by Four Squires of Antioch.

The discussion will feature a look at the newest fashions and suggestions for coordinating a fall wardrobe.

To complete the evening's program, all members whose birthdays occur in July, August, September and October will be honored.

Ann Kelly, program chairman, has planned a very entertaining evening and hopes all the members who have birthdays in these months will make a special effort to attend this meeting.

An invitation is extended to all the women of St. Peter's to come out for an enjoyable evening.

## Sophs win, beat Bears

The Antioch Community High School sophomore football team must have been told it was open hunting season for Bears. The sophomore Sequoits won 36-22 over Lake Zurich Bears in conference action last week.

The Sequoits completely dominated the game for the first three quarters. It was not until the fourth quarter the Bears were able to score two quick touchdowns against the Sequoits second string defense.

Sequoit quarterback, Tom Adams, found Derek Olsen open in the first half for a 11 yard touchdown pass. As is expected anymore Olsen kicked the extra point between the uprights to make the score 7-0 in Antioch's favor.

Olsen made good two more extra point kicks before the game was over. Olsen has made good 10 straight extra point kicks so far this season. Olsen also made good a 20 yard field goal during the game.

The Sequoits second touch down came from a five yard dive up the middle by half-back Tom Anderson. The two point conversion was no good but the Sequoits were still ahead 13-0.

Anderson again got the call on a short yardage situation when he scored Antioch's third touchdown for the day with a one yard plunge to make the score 19-0. Olsen did his thing and the score went up to 20-0.

Sequoit quarterback, Adams, hit Craig Sheedlo with a 11 yard pass in the third quarter to up the Bear slaughter to 26-0. The extra two point conversion was again repelled by the Bears.

Sequoit kicker, Olsen, again got to show his talent by hitting a 20 yard field goal to up the score to 29-0.

The Bears got a touchdown on a 44 yard run and made the two point conversion good to make the score 29-8.

But Sequoit quarterback, Adams, had one more touchdown pass he wanted to throw. Adams hit Bill Carney this time for a 29 yard touch down pass. Olsen ended the Sequoit scoring by hitting his third straight extra point of the game.

Against the Sequoit second string defense the Bear's scored two touchdowns in the last minute of play.

Cited for their defensive play was George Bessette playing at the linebacker position. John Oelkers and Brad Herbst each intercepted a pass.

### CANDY DAY

Lion's Candy Day has been slated for Oct. 12-13 with a statewide goal of \$1,250,000 for help to the blind being set.

### DRIVER SERVICES

Secretary of State Alan J. Dixon announced that the Waukegan Driver Services facility has been relocated at 617 S. Green Bay rd.

### ATTENDS SESSION

Maryanne Kahl from the State Bank of Antioch was among those attending the 36th annual session of the Graduate School of Banking at the University of Wisconsin.

### REGISTER

Tuesday, Oct. 7, is the last day to register to be eligible to vote in the Nov. 4 general elections.

## Raiders Perfect For Year

The Raiders returned to action Sunday Sept. 28, by defeating the Buccaneers 26-13. The first score of the game came on a six yard plunge by the Buccaneers and they added the extra point. The Raiders' Mike Dobosh passed to Brian Horn who ran for the Raiders first score. Steve Behrendt carried the ball for the extra point.

In the third quarter, Steve Behrendt scored his first touchdown and added his second extra point of the day. Mike Dobosh then scored a touchdown on a quarterback keeper. The point after failed.

In the fourth quarter, Steve Behrendt scored his second touchdown of the day. The Raiders tried to kick for the extra point but the kick failed. The Buccaneers managed to score another touchdown on a kick-off return. The Raiders' coaches credited a total team effort led by Mike Dobosh, Rich Eckert, Dave Battalia, Keith Horn, Matt Smith, and Mark Menninger in giving the Raiders a 4-0 record.

★★★★★

The Viking Juniors were defeated by the Waukegan Juniors Sunday 20-6.

Even though the Viking defense, led by Gus Mancuso, Ron Edmonds, Tadd Ernstmeyer, John Geier and Ted Larkin held Waukegan once at the one yard line and again at the 9 yard line their offense couldn't move the ball. Dave Lear intercepted a Waukegan pass, but again the Vikings couldn't score.

The Vikings return to action Sunday Oct. 5, against McHenry.

## Sequoit netters rally

After losing 4-1 to Lake Zurich on Sept. 15, Antioch's Varsity tennis team came back to beat Round Lake 3-2 on Sept. 17.

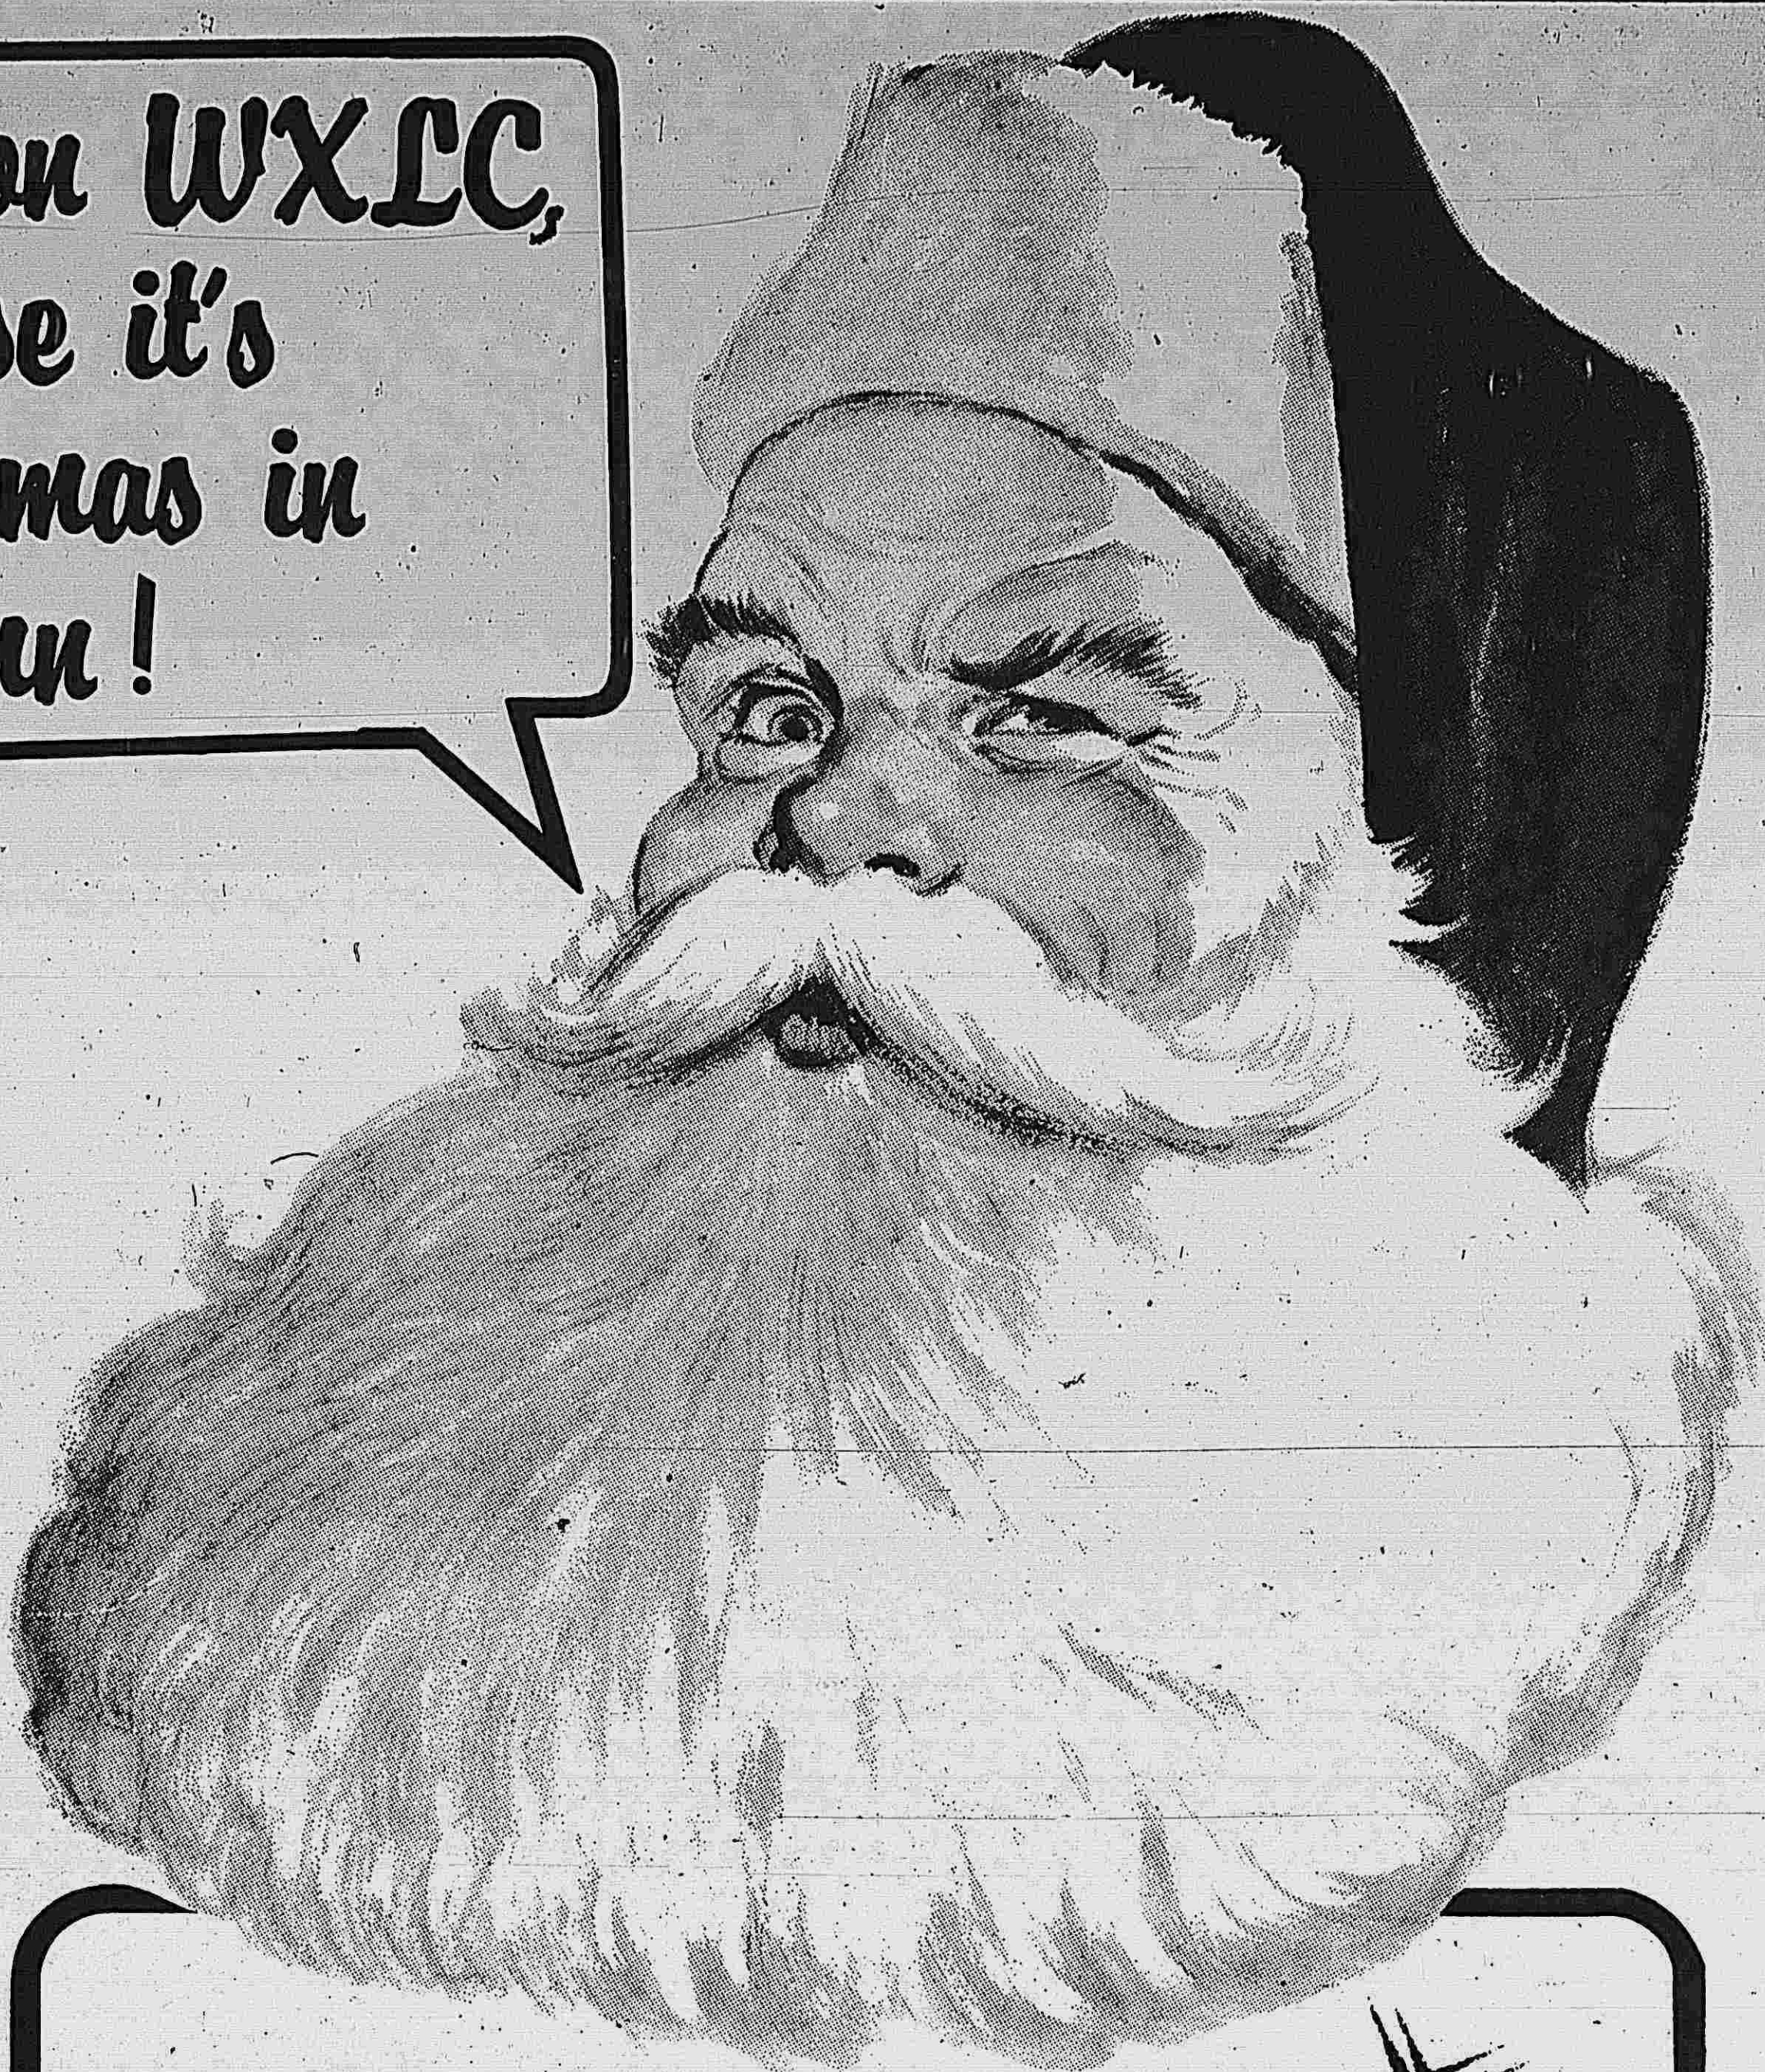

First doubles team of Diane Applehans and Darlene Olson, the only winners at Lake Zurich; were defeated in an extremely close match 7-6, 6-7 by Round Lakes' Bendler and Schindler.

Margie Allen at number one singles position has been playing well against tough competition. She, as well as the rest of the varsity; were successful against Grayslake on Sept. 24 as the team won 5-0.

Tracy Witt at number two singles has an impressive record of eight wins and four losses so far.

## OFFICIAL PUBLICATION

**NOTICE OF PROPOSED CONSTITUTIONAL AMENDMENT**  
Pursuant to law public notice is hereby given that the following proposed amendment to the Illinois Constitution will be submitted on a separate blue ballot to the electors of the State of Illinois for adoption or rejection at the General Election to be held on November 4, 1980.

**PROPOSED AMENDMENT TO SECTION 1, 2 AND 3 OF ARTICLE IV**  
(Proposed changes in the existing Constitutional provision are indicated by underscoring all new matter and by crossing with a line all matter which is to be omitted.)

**ARTICLE IV SECTION 1. LEGISLATURE — POWER AND STRUCTURE**  
The legislative power is vested in a General Assembly consisting of a Senate and a House of Representatives, elected by the electors from 59 Legislative Districts and 118 Representative Districts.

**SECTION 2. LEGISLATIVE COMPOSITION**  
(a) One Senator shall be elected from each Legislative District. Immediately following each decennial redistricting, the General Assembly by law shall divide the Legislative Districts as equally as possible into three groups. Senators from one group shall be elected for terms of four years, four years and two years; Senators from the second group, for terms of four years, two years and four years; and Senators from the third group, for terms of two years, four years and four years. The Legislative Districts in each group shall be distributed substantially equally over the State.

(b) Each Legislative District shall be divided into two Representative Districts. In 1982 and every two years thereafter one Representative shall be elected from each Representative District for a term of two years

Three Representatives shall be elected from each Legislative District for a term of two years. No political party shall limit its

nominations to less than two candidates for Representative in any Legislative District. In elections for Representatives, including those for nomination, each elector may cast three votes for one candidate or distribute them equally among no more than three candidates. The candidates highest in votes shall be declared elected.

(c) To be eligible to serve as a member of the General Assembly, a person must be a United States citizen, at least 21 years old, and for the two years, preceding his election or appointment a resident of the district which he is to represent. In the general election following a redistricting, a candidate for the General Assembly may be elected from any district which contains a part of the district in which he resided at the time of the redistricting and reelected if a resident of the new district he represents for 18 months prior to reelection.

(d) Within thirty days after a vacancy occurs, it shall be filled by appointment as provided by law. If the vacancy is in a Senatorial office with more than twenty-eight months remaining in the term, the appointed Senator shall serve until the next general election, at which time a Senator shall be elected to serve for the remainder of the term. If the vacancy is in a Representative office or in any other Senatorial office, the appointment shall be for the remainder of the term. An appointee to fill a vacancy shall be a member of the same political party as the person he succeeds.

(e) No member of the General Assembly shall receive compensation as a public officer or employee from any other governmental entity for time during which he is in attendance as a member of the General Assembly.

No member of the General Assembly during the term for which he was elected or appointed shall be appointed to a public office which shall have been created or the compensation for which shall have been increased by the General Assembly during that term.

## SECTION 3. LEGISLATIVE REDISTRICTING

(a) Legislative Districts shall be compact, contiguous and substantially equal in population. Repre-

sentative Districts shall be compact, contiguous, and substantially equal in population.

(b) In the year following each Federal decennial census year, the General Assembly by law shall redistrict the Legislative Districts and the Representative Districts.

If no redistricting plan becomes effective by June 30 of that year, a Legislative Redistricting Commission shall be constituted not later than July 10. The Commission shall consist of eight members, no more than four of whom shall be members of the same political party.

The Speaker and Minority Leader of the House of Representatives shall each appoint to the Commission one Representative and one person who is not a member of the General Assembly. The President and Minority Leader of the Senate shall each appoint to the Commission one Senator and one person who is not a member of the General Assembly.

The members shall be certified to the Secretary of State by the appointing authorities. A vacancy on the Commission shall be filled within five days by the authority that made the original appointment. A Chairman and Vice Chairman shall be chosen by a majority of all members of the Commission.

Not later than August 10, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members.

If the Commission fails to file an approved redistricting plan, the Supreme Court shall submit the names of two persons, not of the same political party, to the Secretary of State not later than September 1.

Not later than September 5, the Secretary of State publicly shall draw by random selection the name of one of the two persons to serve as the ninth member of the Commission.

Not later than October 5, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members.

An approved redistricting plan filed with the Secretary of State shall be presumed valid, shall have the force and effect of law and shall be published promptly by the Secretary of State.

The Supreme Court shall have original and

exclusive jurisdiction over actions concerning redistricting the House and Senate, which shall be initiated in the name of the People of the State by the Attorney General.

## TRANSITION SCHEDULE

This Amendment shall take effect the day following its passage and shall govern the Primaries and the General Election to be held in 1982 and thereafter.

## FORM OF BALLOT

The proposed amendment to Article IV will appear upon the constitution ballot in the following form:
